2016 HSC SCIENCE EXAM PREP
The University of New South Wales (UNSW) – FRI 19 & SAT 20 AUG

REGISTRATIONS CLOSE: **Friday 12 August**

STANSW HSC Science Exam Preparation for Students

Friday and Saturday 19 & 20 August 2016 : hosted by The University of New South Wales

Paper-based booking form is available for offline payments

Online registration open soon

Enquire today about booking your HSC class - email office@stansw.asn.au

Workshops will be held soon after the HSC trials - a crucial time for students to reflect on exam results whilst preparing for the HSC Exams. Help your students get into study mode, register your science class!

The event brings together students with highly qualified Science teachers to prepare them for the Higher School Certificate Examinations. Depending on student demand, workshops will be held in Physics, Biology, Chemistry, Earth & Environmental Science and Senior Science.

Experienced presenters, who have been involved in all stages of the HSC process, will deliver workshops providing students with hints and strategies to enable them to improve their HSC performance.

As a result of participating in this event, students will:

- be more adept at interpreting and answering questions, and thus be better prepared for the HSC Trials and Examinations.
- increase their understanding of the HSC marking process and procedures to improve their ability to present answers that meet typical marking guidelines and maximise marks.

Friday 19 August

- Biology
- Chemistry
- Physics
- EES
- Senior Science

Saturday 20 August

- Biology (repeated)
- Chemistry (repeated)
- Physics (repeated)

Time	TOPICS HELD IN EACH OF THE SUBJECT SESSIONS AS FOLLOWS
8:00 – 8:45am	Registration
8:50 – 9:00am	Welcome and Open
9:00 – 9:55 am	Combined open keynote on each day TBA
