

# Are you studying to become a science teacher?

Then you need a STANSW Student Membership!

STANSW is offering complimentary (that's right, **FREE!**) student membership in 2016 for all full and part time students, who are pre-service.

If you are in your 2<sup>nd</sup> or 3<sup>rd</sup> year of your science teaching degree, eager to commence your teaching career in primary or high school – but are anxious about all the requirements, expectations and first year hurdles?

## STANSW provides pre-service teachers with:

- Mentoring partnerships with experienced teacher mentors
- Support and professional advice by phone and email
- BOSTES Accredited PD specifically tailored for pre-service and early career teachers
- A network of enthusiastic and likeminded teachers

STANSW is ever willing to support you in your transition from university to teaching, ensuring you are prepared for the challenges of the teaching profession ...

## Do you like meeting new people?

We also hold social gatherings, public lectures and teach meets, free only for our members and give you access to promotions and offers at both national and state-wide level.

**Come say hello!!  
And see what  
we can do for  
YOU!**

**We are located at  
ACU Strathfield  
Campus, in Edward  
Clancy Building,  
Albert Road  
Room C2.64**

## About Science Teachers' Association of NSW

Science Teachers' Association of NSW (STANSW) is your not-for-profit professional association for you – NSW teachers/educators of science at primary, secondary and tertiary levels. STANSW works at a state level and, through its membership of the Australian Science Teachers' Association (ASTA), also at a national level.

## Mission

The Mission of Science Teachers' Association of NSW is to advance the profession in NSW through the provision of quality professional development, information and advocacy for the teaching of science.
